

The Orlando Institute

Equipping Leaders to Disciple the Nations

BL100 Old & New Testament Survey

Dr. Steve Clinton

Syllabus

I. Objectives: by the completion of this class you will:

1. develop greater understanding of the biblical character and doctrine
2. have a deeper appreciation for the Bible as a book of faith
3. gain more trust in God and readiness to live for Him
4. read about the events and people who bring the goals of God and mankind to reality and describe in some detail the main movements which have occurred.
5. focus on the key individuals and situations which made critical differences in the development of peoples and fulfillment of the Great Commission.
6. be warned by the mistakes of the past, - the folly of being under the bondage of traditions, over-emphasis on human dignity, reason and ability etc.
7. Learn the theology and ethics of living before God.
